**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

NOTE 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Constitution, the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 2015*. The Management Committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report:

(a) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable.

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets is the rate inherent in the instrument.

Revenue recognition relating to the provision of services is determined with reference to the stage of completion of the transaction at reporting date.

Revenue from grant funding, provided under contractual arrangements is taken up on a proportionate basis net of GST, over the period to which the funding relates.

Grant funds received in advance at balance date are recognised as a liability within the balance sheet and carried forward to the next accounting period – refer Note 4 for further details.

(b) Taxation

The Australian Taxation office has endorsed South West Community Legal Centre Inc. as a Public Benevolent Institution and it is eligible for the following concessions:

- i) GST concession;
- ii) FBT rebate; and
- iii) Income taxation exemption.

No change in its tax status as a result of activities undertaken during the year is likely.

(c) Non Current Assets

Assets are recorded at cost within the asset register and depreciated over their useful lives.

SOUTH WEST COMMUNITY LEGAL CENTRE INC.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

NOTE 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

(d) Employee Entitlements

Provision is made for annual leave at nominal rates, excluding leave loading and on-costs, estimated to be payable to employees on the basis of statutory and contractual requirements. Leave loading and on-costs have been provided for in the budget and it is the Management Committee's assessment that these costs do not represent the actual cost to the organisation.

Long service leave entitlement is thirteen weeks after seven years of service. The provision for long service leave is recorded at nominal rates, exclusive of on-costs. Long service leave is classified as current for employees with greater than seven years service, and non-current for employees with less than seven years service.

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or part of an item of the expense.

Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

(f) Grant Acquired

For the purpose of acquitting grants provided by funding bodies, South West Community Legal Centre Inc. has adopted the following policies:

Grant income is acquitted after allowing for the following costs:

- Cost including labour and on costs directly associated with a specific grant;
- Administration and other related overhead costs (after excluding costs which are abnormal both in nature and value and therefore not representative of an appropriate level of costs that would be expected to be incurred) not related to a specific grant are allocated over the relevant grants, based on a proportion of the level of each grant and related income compared to total income.

Such allocations are reduced to take into consideration the lower level administrative burden a grant is likely to produce, such as in the case of capital grants.

Representations of management and internal documentation are used in determining to which grants a cost may be directly or indirectly attributed.

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
