LIMITED SERVICE NOTICE

To assist with wrapping up for the end of the year, from 12 December, we will enter a LIMITED SERVICES period.

What this means is that while we will still be contactable, our appointment availability and in-person access will be restricted for Bunbury and outreach locations.

This will assist our staff to complete the end-of-year wrap-up and begin the new year ready to assist the members of the South West community.

South West Community Legal Centre plans to roll out some very exciting changes, including increased Community connection.

We understand legal matters wait for no one, as such we will still be accepting urgent matters.

Otherwise, Legal Aid WA can be contacted on Infoline 1300 650 579 and Bunbury office 08 9721 2277

Thank you for your patience and understanding,
Staff at SWCLC
